“Springbrook was the brainchild of Tom Large, who saw in the tangle of trees and underbrush and trickling spring more than a picnic spot for school children.”

## SPRINGBROOK HISTORICAL GOLF FOUNDATION

*Preservation, Promotion & Perpetuity*

# A RICH HERITAGE

SBCC has come a long way from the 9-hole course with sand greens built on 50-acres of thick underbrush, trees and spring-fed brook, the inspiration for the club's name.

Along the way it's been home to Spring Brook Gardens picnic spot, an ice house, 15 summer cottages, a gun club, a beach and bath house, and a "magnificent" clubhouse that hosted countless dances and events.

What started in 1916 as a golf course laid out with 5 coffee cans and torn cloth flags today is a sprawling 18-hole golf course and clubhouse that provides an outlet for recreation, socializing and a scenic location to live.

The Springbrook Historical Golf Foundation was established to preserve and protect this rich heritage and ensure future generations can continue to enjoy everything that makes Springbrook special. Join us in our mission.
